2-core drop fiber optic cable manufacturer direct sales

Overview

Discover 2 core fiber optic drop cables with G657A1/G652D fibers, ideal for FTTH indoor/outdoor use. CE certified, durable LSZH sheath, perfect for aerial & duct applications.

Key Takeaways

You can purchase two-core drop fiber optic cables directly from manufacturers like SHENGWEI and CommMesh, offering factory-direct pricing, customizable options, and global shipping. Key Manufacturers and SuppliersSHENGWEIOffers 2-core and 4-core self-supporting aerial drop cables with LSZH sheaths and steel wire reinforcement for FTTH deployment. Provides pre-terminated SC/LC/FC connectors, custom sheath colors, reel labeling, and OEM/ODM services.

Reels available in 500m, 1000m, and 2000m lengths. ISO-certified factory ensures consistent quality and compliance with CE, RoHS, and TIA/EIA standards. Supports bulk orders with fast lead times and international shipping.

CommMeshSupplies 2-core outdoor flat FTTH drop cables with G. 657. A1 fibers, tight buffer 250 µm, and flame-retardant PVC jackets.

Features include tensile strength >600 MPa, crush resistance 1000 N/100 mm, and water-blocking swellable tape for moisture protection. Suitable for temperatures from -30°C to +60°C and high-speed data transmission up to 10 Gbps. Offers customized fiber identification, pre-terminated connectors, and bulk reels for telecom projects.

Other Verified Suppliers

Platforms like Alibaba and Accio list multiple manufacturers offering 2-core fiber optic drop cables with LSZH jackets, steel wire reinforcement, and indoor/outdoor suitability. Many suppliers provide custom lengths, pre-terminated connectors, and OEM services, ideal for large-scale FTTH deployments or network upgrades.

Technical Considerations

Fiber Type: G. 657A1/A2 bend-insensitive single-mode fibers for tight installation bends. Construction: Self-supporting Figure-8 or flat design with steel reinforcement for aerial deployment.

Sheath Material: LSZH or flame-retardant PVC for outdoor durability. Connector Options: SC, LC, FC pre-terminated for plug-and-play installation. Performance: Low attenuation (≤0.

19 dB/km), high tensile and crush resistance, and water-blocking features for long-term reliability.

Purchasing Tips

Contact manufacturers directly for bulk pricing, free samples, and technical datasheets. Specify custom requirements such as sheath color, reel labeling, and connector type. Verify compliance with international standards (CE, RoHS, TIA/EIA) for global deployment.

Consider shipping logistics and lead times for large B2B orders. By sourcing directly from these manufacturers, you can secure high-quality, customizable two-core drop fiber optic cables suitable for FTTH, 5G backhaul, smart city projects, and other high-speed telecom applications.

Find trusted 2-core drop cable suppliers with fast delivery. Explore top-rated manufacturers offering high-quality fiber optic cables. Click to discover verified suppliers and get

2 Core Outdoor Flat FTTH Drop Cable Manufacturer

Standard FTTH drop cables supplied by CommMesh are typically 2 km per reel, available in 5.0 x 2.0 mm dimensions. Also, we provide custom lengths,

2 Core FTTH Drop Cable Self-Support G.657A2 FRP LSZH GJYXFCH

The typical GJYXFCH/GJYXCH self-supporting bow-type drop optical cable consists of GJXFH/GJXH cable and an additional strength member (steel wire or stranded steel wire).

FTTH Fiber Cable 2 Core Bow Type with Steel Wire

Hone 2 core ftth fiber cable provides excellent performance of crush and tensile strength. It is used as ftth drop cable in FTTH system.

2 core optical fiber cable drop

Discover premium quality 2 core optical fiber cable drop designed to enhance connectivity and performance. Ideal for business buyers seeking reliable solutions.

Gcabling 2 Core Fiber Optic Cable Drop Cable

Gcabling is one of the leading companies manufacturing optical fibre cables in China, we manufacture and supply a wide range of optical cables.

Gcabling 2 Core Fiber Drop Cable Optical Indoor

Gcabling is one of the best fiber optic cable manufacturers & suppliers in China. We can provide a wide range of optical fiber cables.

Fiber Optic Cables

CommScope designs and manufactures a comprehensive line of fiber optic cables—from outside plant to indoor/outdoor and fire-rated indoor fiber cables.
