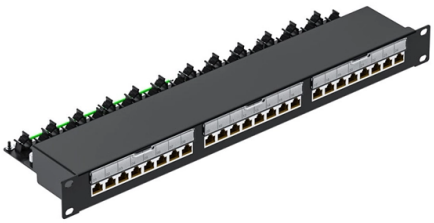
How much does a Columbia ladder-type cable tray cost



Overview

Cable Tray Price List | Electrical Works The cable tray price list are for hot dip galvanized ladder type cable tray. The price is based on standard length.

Key Takeaways

Ladder cable trays, including Columbia brand, typically range from $50 to $500 per straight section depending on size, material, and load capacity.

General Pricing Overview

The cost of ladder cable trays varies based on material, dimensions, and load rating. Common materials include aluminum, galvanized steel, and stainless steel, with aluminum being lighter and corrosion-resistant, often slightly more expensive than standard steel for similar sizes. Small straight sections (4–6 inches wide, 3–5 feet long): Approximately $50–$150 each.

Medium sections (6–12 inches wide, 6–10 feet long): Typically $150–$300 each. Heavy-duty or large sections (12+ inches wide, 10+ feet long, high load capacity): Can range from $300–$500 or more per section.

Additional Costs

Accessories such as elbows, tees, splices, covers, and support brackets are sold separately and can add $20–$150 per piece depending on complexity and material. Installation costs are additional and vary by project size and labor rates.

Buying Options

Industrial suppliers like Grainger and McMaster-Carr offer ready-to-ship ladder trays with detailed specifications. Online marketplaces like eBay may provide discounted or used trays, sometimes below $50 for smaller sections. Columbia-specific pricing may require contacting distributors or authorized dealers for quotes, as prices can fluctuate based on order volume and customization.

In summary, for budgeting purposes, expect to pay $50–$500 per straight section, with additional costs for fittings and installation, while exact Columbia ladder tray prices should be confirmed with suppliers.
