Asian Trapezoidal Cable Tray Manufacturers

Overview

Top Cable Tray Manufacturers in Asia Across Key MarketsDiscover the leading cable tray manufacturers in Asia, including top companies from Indonesia, China.

Key Takeaways

Leading Asian manufacturers of trapezoidal cable trays include Shandong Hongfeng, Tianhong, Tongzhou Machinery in China, and ASIA Conduit Electric in Korea, offering high-quality, customizable solutions for industrial and infrastructure projects. Key Manufacturers in Asia1. Shandong Hongfeng Import and Export Co., Ltd. (China) Shandong Hongfeng is one of China's largest cable tray manufacturers, producing a wide range of cable trays including trapezoidal, wire mesh, trough, and composite trays.

They use materials such as stainless steel, aluminum, copper, zinc, iron, and fiberglass, and offer customization to meet specific project requirements. The company holds ISO 9001, SGS, and CE certifications and serves industries like communication, solar power, thermal power, and factory construction. 2.

Tianhong Cable Tray Manufacturer (China) Shandong Tianhong Electric Power Technology Co., Ltd. specializes in perforated trays, cable ladders, trunking, strut channels, and trapezoidal cable trays. They provide OEM and ODM services, automated production lines, and solutions for power plants, data centers, commercial buildings, and infrastructure projects. Their products are designed for durability, heat dissipation, and corrosion resistance, suitable for both domestic and international markets.

3. Tongzhou Machinery (China) Tongzhou Machinery produces trapezoidal, ladder, perforated, mesh, and large-span steel cable trays. They offer a variety of materials including galvanized steel, stainless steel, aluminum, and FRP.

The company emphasizes customization, high production capacity (over 40,000 meters daily), and global distribution, serving sectors like construction, petroleum, chemical, power, and telecommunications. 4.

ASI

A Conduit Electric Co., Ltd. (Korea) ASIA Conduit Electric is a leading Korean manufacturer known for premium materials, advanced manufacturing systems, and competitive pricing. They focus on innovation and quality, producing cable trays suitable for industrial and commercial applications, including trapezoidal designs. 5.

Other Notable Asian Manufacturers

Indonesia: Jaya Bersama Sentosa (JBS), Baja Karya (BAKA), and Powerwell Indonesia specialize in heavy-duty, corrosion-resistant, and customizable cable trays for industrial and infrastructure projects. Regional Advantages: Asian manufacturers often provide cost-effective, climate-resilient designs that comply with both regional and international standards, making them suitable for global projects.

Considerations for Selection

Material and Durability: Stainless steel and aluminum are common for corrosion resistance and long-term performance. Certifications: ISO, CE, and SGS certifications ensure quality and compliance with international standards. Customization: Many manufacturers offer tailored solutions for specific project requirements.

Application: Choose manufacturers based on the intended use, such as industrial, commercial, or energy infrastructure projects. Asian manufacturers provide a wide range of high-quality trapezoidal cable trays with competitive pricing, robust certifications, and customization options, making them suitable for diverse industrial and infrastructure applications across the globe.
