Barbados Computer Room Power Distribution Box Manufacturer

Overview

Buy premium Barbados Electrical Distribution Box Suppliers in bulk from verified wholesale suppliers and manufacturers. Best prices, bulk discounts, trusted deals at go4WorldBusiness .

Key Takeaways

Barbados has several reputable manufacturers and suppliers of computer room power distribution boxes, including C O Williams Electrical Limited, Power Technologies Caribbean Ltd., and specialized electrical enclosure manufacturers.

Key Manufacturers and Suppliers

C O Williams Electrical Limited Established in 1972, C O Williams Electrical Limited provides extensive electrical design and installation services across residential, commercial, and industrial sectors. They handle installations in office buildings, power stations, and other facilities requiring critical power distribution, making them a reliable choice for computer room power distribution solutions in Barbados. Power Technologies Caribbean Ltd. (PTCL) Founded in 2003, PTCL specializes in power quality solutions and critical power systems.

Their certified engineers design, install, and maintain power distribution systems for IT and commercial environments.

PTC

L offers personalized support for computer room power distribution, ensuring operational reliability and compliance with stringent schedules. Custom Electrical Enclosure Manufacturers Barbados also hosts manufacturers with over 22 years of experience in producing electrical cabinets, boxes, and enclosures. These companies provide custom design and fabrication services, allowing for tailored solutions for server rooms, data centers, and other critical IT infrastructure.

Wholesale Suppliers For bulk procurement, platforms like Go4WorldBusiness list verified suppliers of electrical distribution boxes in Barbados. These suppliers offer competitive pricing and bulk discounts, suitable for larger installations or multiple computer room setups.

Additional Considerations

Customization: Many local manufacturers can design enclosures to meet specific size, cooling, and safety requirements for computer rooms. Power Quality: Companies like PTCL focus on UPS integration, surge protection, and intelligent power management to ensure uninterrupted operation. Installation Services: Both C O Williams Electrical Limited and PTCL provide full installation and maintenance services, which is critical for sensitive IT environments.

For businesses or organizations in Barbados looking to equip or upgrade their computer rooms, contacting these manufacturers directly can provide tailored solutions, quotations, and technical guidance.
