Shielden supplies stainless steel, galvanized steel, aluminum, and FRP/GRP cable trays, including ladder, perforated, wire mesh, solid bottom, and channel trays. They cater to industrial plants, offshore platforms, data centers, and commercial buildings, offering corrosion and fire-resistant solutions. Ensun lists top manufacturers such as PT Trias Indra Saputra, Chalfant Manufacturing, Sunil Engineering Corporation, and ELCON CABLE TRAYS PVT.

LTD., providing ladder, perforated, wire mesh, and FRP cable trays with accessories and custom solutions.

Choosing the Right Supplier

When selecting a cable tray supplier, consider: Material and type: Stainless steel for corrosive environments, aluminum for lightweight applications, fiberglass for chemical resistance. Compliance: Ensure trays meet NEMA, UL, or DIN EN 61537 standards. Customization: Check if the supplier can fabricate unique sizes or shapes for your project.

Support and service: Look for suppliers offering CAD drawings, installation guidance, and quality inspections. By exploring these suppliers and marketplaces, you can find cable trays that meet your project's specifications, budget, and compliance requirements.
