# Cameroon sells its surplus optical fiber cables

## Overview

The Cameroon government has transferred the management of more than 812 km of fiber optic cable to incumbent telecommunications operator Camtel. AITAF provides end-to-end optical communication solutions, structured cabling, ODN, optical. In 2023, Cameroon continued to rely on a select group of countries such as Italy, China, Ukraine, Spain, and Mexico for its fiber optic cable imports. The high Herfindahl-Hirschman Index (HHI) indicates a concentrated market, with limited diversification among suppliers. This figure reflects the total revenues of producers and importers (excluding logistics costs, retail marketing costs, and retailers' margins, which will be included in the final consumer. Bid on readily available Cameroon Optical Fibre Cables Tenders with GlobalTenders, the biggest and best online tendering platform, since 2002. 37K, 886,143 Kg), European Union ($415.
