Good fireproof cable tray manufacturers in the Netherlands

Overview

Stainless steel cable trays The rounded design protects cables and hoses, while our patented locking cable trays combine easy access for cleaning with secu.

Key Takeaways

Several manufacturers in the Netherlands supply fireproof and CPR-certified cable trays, including Gouda Holland, Niedax Group, CC Nederland B. V., Beemster Electrical Solutions, and Brilltech Engineers.

Key Suppliers and Offerings

Gouda Holland offers a wide range of cable ducts and trays, including glass fiber reinforced polyester (GRP) ladders that are halogen-free, corrosion-resistant, and suitable for fire-sensitive environments. Their products are used in industrial, marine, and machine-building applications, with options for both light and heavy-duty trays. Niedax Group, which includes Gouda Holland, provides steel, aluminum, PVC, and GRP cable management systems.

They specialize in technical consulting, planning, and installation, ensuring compliance with European fire safety standards.

C

C Nederland B. V. manufactures stainless steel cable trays (AISI 304) with excellent corrosion resistance and durability. Their trays are available in custom dimensions and feature designs that protect cables while allowing easy maintenance.

Beemster Electrical Solutions supplies cable support systems and trays that are CPR-certified according to EN 50575 and NEN 8012 standards. They offer materials such as galvanized steel, aluminum, nickel-plated steel, stainless steel, and synthetic options, ensuring fire safety and corrosion resistance. Brilltech Engineers provides high-quality cable trays in galvanized steel, stainless steel, and fiberglass.

Their trays are designed for fire safety, optimal airflow, and cable protection, and they offer installation support and system design services.

Considerations for Fireproof Cable Trays

Material choice: Stainless steel, GRP, and fiberglass are preferred for fire resistance and corrosion protection.

CP

R certification: Ensure trays comply with EN 50575 and NEN 8012 for fire safety. Installation support: Many suppliers provide technical consulting and installation guidance to ensure proper fireproofing and compliance. Customization: Suppliers like CC Nederland and Gouda Holland offer custom dimensions and designs to fit specific project requirements.

These manufacturers and suppliers provide reliable solutions for fireproof cable management in industrial, commercial, and infrastructure projects in the Netherlands.
