Haiti Cable Tray Specifications and Dimensions Diagram

Overview

Catalog Cable Tray Ver Final Straight sections of solid bottom cable trays contructed from single sheet of metal, providing excellent protection from exter.

Key Takeaways

Cable trays in Haiti are available in ladder, perforated, and solid-bottom types, with standard lengths of 2440mm, 2500mm, and 3000mm, and widths ranging from 100mm to 900mm.

Cable Tray Types and Materials

Ladder Type: Provides maximum ventilation, ideal for heat-producing power cables. Constructed with two longitudinal side rails connected by transverse rungs, either welded or bolted. Perforated Type: Offers partial protection and ventilation, suitable for general-purpose cabling.

Solid-

Bottom Type: Provides full protection from external damage, used for control, communication, and non-heat-producing cables. Materials: Galvanized steel, stainless steel, and FRP (Fiber Reinforced Plastic) with corrosion-resistant coatings for durability and longevity. Standard DimensionsDimensionAvailable SizesLength2440mm, 2500mm, 3000mmWidth100mm, 150mm, 300mm, 450mm, 600mm, 750mm, 900mmHeight50mm, 75mm, 85mm, 100mm, 200mmAccessories and FittingsElbows: Horizontal and vertical for directional changes.

Tees and Crosses: For joining multiple tray sections at 90° angles. Reducers: Connect trays of different widths in the same plane. Covers: Solid or louvered tops for protection against sunlight, dust, and accidental contact.

Installation Accessories: Splice plates, clamps, brackets, and hangers for secure mounting.

Key Features

Open design for easy cable installation and heat dissipation. Flexible mounting options for walls, ceilings, or supports. Compatible with various cable types and sizes.

Compliant with national and international safety standards (e.g., NEMA VE1-2002, TCVN 197-2002). Customizable fittings for tailored installations. These specifications make cable trays in Haiti suitable for industrial, commercial, and construction applications, ensuring safety, durability, and efficient cable management.
