80–$34 per unit for smaller sizes; bulk B2B orders can be higher Solid Bottom Cable TraysFully enclosed base for maximum protection against dust, water, and debrisMaterials: Stainless steel, aluminumBest for harsh outdoor conditions or sensitive installationsPrice range: $20–$70 per unit Supplier Options in HaitiJeetmull Jaichandlall (P) Ltd.: Offers a variety of cable trays in multiple sizes, shapes, and colors, with high-quality finishing and global shipping options. Brilltech Engineers Pvt. Ltd.: Supplies galvanized steel, stainless steel, and fiberglass trays with installation support and system design assistance.

Micro Sheet Crafts: Provides customized cable trays with modular designs and competitive pricing, suitable for outdoor and industrial applications.

### Alibaba and Accio B2

B Platforms: Offer bulk orders for industrial-grade trays with prices ranging from $0. 80 to over $76 depending on material and size.

### Key Considerations

Material Selection: For outdoor use, galvanized steel, stainless steel, or FRP are recommended to resist corrosion and weathering. Load Capacity: Ladder trays are preferred for heavy cable bundles, while perforated or wire mesh trays are suitable for lighter loads. Installation and Maintenance: Perforated and wire mesh trays allow better airflow and easier maintenance, reducing overheating risks.

Bulk Orders: B2B suppliers often provide lower per-unit costs for large quantities, which is ideal for construction or industrial projects. For precise pricing, it is recommended to contact suppliers directly with specifications such as tray type, material, dimensions, and quantity to obtain a tailored quote.
