Huijue Fiber Optic Adapter Original Manufacturer

Overview

Optical Fiber Connector Explore our Optical Fiber Connector collection, featuring main products like Optical Splitter, Fiber Patch Cord, and 695+ more item.

Key Takeaways

Huijue is a professional Chinese manufacturer of fiber optic adapters and a wide range of fiber optic components, offering OEM/ODM services and global distribution.

Company Overview

Huijue Network, officially Shanghai Huijue Network Communication Equipment Co., Ltd., was founded in 2000–2002 and is headquartered in Shanghai, China, with additional production bases in Jiangsu and Nantong. The company specializes in fiber optic components, network cabinets, and telecommunication equipment, serving both domestic and international markets including Europe, North America, and Southeast Asia. Huijue has thousands of employees and covers over 100,000 square meters across its facilities.

Product Range

Huijue manufactures a comprehensive range of fiber optic products, including: Fiber optic adapters (SC, LC, FC, MPO types)Fiber optic connectors and patch cordsOptical splitters and couplersFiber optic enclosures, distribution boxes, and ODFsFiber optic attenuators, transceivers, and multiplexersOutdoor and indoor telecom cabinets They also provide customized solutions for FTTX, data centers, and digital integrated site power systems, with the ability to produce small orders or even single-piece samples.

Manufacturing and Quality

Huijue operates dual production bases and maintains a full industry chain, allowing them to manufacture core ODN products independently, ensuring consistency and delivery efficiency. The company holds 50+ patents related to optical distribution networks and is ISO 9001/14001 certified, with products tested for environmental adaptability from -40°C to 85°C. Their strict quality management ensures compliance with international standards such as GR-1209.

Services and CapabilitiesOEM/ODM services for customized fiber optic solutions Rapid response system with 72-hour emergency delivery support Full-cycle technical support from solution design to operation and maintenance Participation in large-scale 5G network deployments and FTTH projects Global ReachHuijue exports its products worldwide and has served major Chinese operators like China Mobile, China Telecom, and China Unicom, with cumulative deployments exceeding 2 billion ODN devices. Their products are suitable for various applications, including FTTH, 5G fronthaul, and data center networks.

Summary

Huijue is a reliable manufacturer of fiber optic adapters and related components, offering high-quality products, flexible order quantities, OEM/ODM services, and strong technical support. Their extensive production capacity, certifications, and global experience make them a suitable partner for telecom and network projects requiring fiber optic solutions.
