Huijue GPON optical module price

Overview

Good quality huijue optical module price list from huijue optical module price list manufacturer, Buy huijue optical module price list online from China.

Key Takeaways

Huawei GE optical modules typically range from $20 to $100 per unit, depending on type, channel, and supplier.

Huawei G

E optical modules, including SFP and CSFP types, are widely available through authorized distributors and online retailers such as GenuineModules.com, XponShop.com, and Alibaba. Prices vary based on specifications, such as single-mode or multi-mode, transmission distance, and whether the module is for 1GE, 10GE, or higher-speed applications. For example, standard GE SFP modules often cost $20–$50, while higher-end or multi-channel modules can reach $80–$100 or more.

Purchasing OptionsGenuineModules.com: Offers authentic Huawei GE optical modules with worldwide shipping and competitive pricing. XponShop.com: Stocks Huawei GE/10GE modules suitable for OLT uplink ports, with in-stock availability and verified performance. Alibaba / TELEFLY: Provides bulk purchasing options with flexible minimum order quantities, certifications (CE, FCC, RoHS), and shipping by air, sea, or express.

Factors Affecting Price

Module Type: SFP, CSFP, or QSFP modules differ in cost. Transmission Distance: Modules for longer distances (10 km, 40 km, or 80 km) are more expensive. Channel Count: Multi-channel modules or combination packages increase unit cost.

Supplier and Warranty: Authorized distributors may charge more but provide guaranteed authenticity and warranty support. For accurate pricing, it is recommended to contact suppliers directly with the specific module model and quantity, as prices fluctuate based on demand, shipping, and regional availability.
