Is Huijue Information a provider of optical modules

Overview

Huijue Network is headquartered in the Lingang New Area of Shanghai Free Trade Zone, with a registered capital of 107.78 million yuan. Currently, it has six wholly-owned subsidiaries nationwide.

Key Takeaways

Yes, Huijue Information (Huijue Group) is involved in the production of optical components, including optical modules. Huijue Group, founded in 2002 and headquartered in Shanghai, China, is a high-tech company with diversified operations in energy storage, photovoltaic systems, and communication equipment. While the company is widely recognized for its energy storage solutions and photovoltaic modules, it also operates in the optical communication sector.

Huijue has established a dedicated optical communication industrial park and produces optical fiber components, which include optical modules used in network communication systems.

Optical Module Capabilities

Huijue manufactures optical components and modules for telecommunications and network applications. The company offers: Fiber optic components that can be ordered individually or in bulk.

M services for customized optical modules. Telecom cabinets and network equipment that integrate optical modules for communication infrastructure. The company emphasizes strict quality control and operates multiple production lines capable of producing thousands of telecom units per month, ensuring reliable optical module manufacturing.

Summary

While Huijue Group is primarily known for energy storage and photovoltaic solutions, it does provide optical modules and related fiber optic components as part of its communication equipment offerings. This makes it a legitimate provider of optical modules for both domestic and international markets.

Article Content

Is Huijue Information a provider of optical modules

AITAF provides end-to-end optical communication solutions, structured cabling, ODN, optical modules, fiber testing instruments, data center networks, base station energy, smart city communications, and

Huijue-CompanyProfile

Huijue Network is headquartered in the Lingang New Area of Shanghai Free Trade Zone, with a registered capital of 107.78 million yuan. Currently, it has six wholly-owned subsidiaries nationwide.

Is Huijue a manufacturer of optical modules

Huijue, a leading BESS manufacturer, offers top-performing lithium battery-powered storage solutions. Ideal for grids, commercial, and industrial applications, our systems seamlessly integrate and ...

Leading Energy Storage Equipment Manufacturer

Founded in 2002, Huijue Group is a leading Energy Storage Equipment Manufacturers, a high-tech service provider integrating intelligent network communication equipment, new energy and applications.

Solution

Founded in 2002, Huijue Network is a high-tech service provider integrating intelligent network communication equipment and computer intelligent network communication system integration and

Energy Storage Equipment, Energy storage solutions, Lithium battery ...

© 2026 BAGYOU FIBRE NETWORKS - All rights reserved

The Huijue Group''s Optical-storage-charging application scenario is a typical application of microgrid energy storage. The core consists of three parts - photovoltaic power generation, energy storage

Huijue Optical Fiber Communication Facilities

Established in 2001, Shanghai Huijue Network Communication Equipment Co., Ltd (HJ Network for short) is the leading manufacturer and solution provider for telecom and communication products.

How to make Huijue compatible with other optical modules

Founded in 2002, Huijue Group is a high-tech service provider integrating intelligent energy storage equipment and computer intelligent network communication system integration and application.

Company Profile

Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment.

We are Huijue Network

Founded in 2002, Huijue Network is a high-tech service provider integrating intelligent network communication equipment and computer intelligent network communication system integration and

Leading ESS Manufacturer&Solution Provider

Founded in 2002, Huijue Group is a high-tech service provider integrating intelligent energy storage equipment and computer intelligent network communication

About Us | Huijue Group

Learn about Huijue Group, a global leader in energy storage solutions. We specialize in home, industrial, and off-grid systems for a sustainable energy future.
