Italian Pallet and Cable Tray Manufacturer

Overview

Cable Trays Schiavetti Tekno, part of Spina Group, is a leading Italian manufacturer of cable trays and accessories for electrical and instrumentation syst.

Key Takeaways

Leading Italian providers of pallet cable trays include Spina Group (Schiavetti Tekno), Zamet SpA, SITIE, SATI Italia, and FEMI-CZ, offering high-quality, customizable solutions for industrial and infrastructure applications.

Key Italian Manufacturers

Spina Group (Schiavetti Tekno) Schiavetti Tekno, part of Spina Group, is a prominent Italian manufacturer of cable trays and accessories for electrical and instrumentation systems. They offer stainless steel, galvanised, and wire cable trays in ladder, perforated, closed-bottom, and wire-mesh types. Their products are designed for strength, corrosion resistance, and long-term performance, with standard widths like 300 mm and custom sizes available.

Spina Group also provides covers, elbows, junctions, and supports, ensuring modularity and compliance with EN and UL standards.

Zamet Sp

A Zamet specializes in trunking and cable tray systems for both civil and industrial environments. With over 40 years of experience, Zamet offers fully customizable solutions, including ladder trays, wire mesh trays, and solid-bottom trays. Their systems are designed for high load capacity, corrosion resistance, and adaptability to specific project requirements.

SITI

E Impianti Industriali Founded in 1945, SITIE provides robust cable tray systems for industrial applications, including perforated and solid-bottom trays. They focus on durability, easy maintenance, and compliance with stringent industry standards, particularly for oil, gas, chemical, and food sectors.

SITI

E emphasizes flexibility and customization for small and large-scale projects.

SATI Italia SAT

I Italia manufactures modular cable carrier systems suitable for energy, construction, and automation sectors. Their products are lightweight, durable, and compliant with international safety and quality standards, allowing for quick assembly and long-term performance. FEMI-CZ FEMI-CZ produces galvanised steel and stainless steel cable trays designed for challenging environments.

Their offerings include various sizes and designs, ensuring compatibility with diverse industrial applications while emphasizing sustainability in manufacturing.

Choosing the Right Provider

When selecting an Italian pallet cable tray provider, consider: Material Quality: Stainless steel, galvanised steel, or aluminium for corrosion resistance. Customization Options: Ability to meet specific project dimensions and load requirements. Certifications: ISO, CE, EN, and UL compliance for safety and international standards.

Industry Expertise: Proven track record in industrial, energy, and infrastructure projects.

After-

Sales Support: Technical assistance, installation guidance, and maintenance services. These Italian manufacturers are recognized for their innovation, reliability, and ability to provide tailored solutions for complex industrial and infrastructure installations.
