Italian optical cable supplier

Overview

Tratos has been supplying Telecom Italia since 1982, with whom it has an annual general agreement worth several million Euros both for copper cables and fibre optical cables.

Key Takeaways

Italy hosts several prominent fiber optic cable manufacturers, including Cavicel S.p. A., CPE Italia, Tecnikabel, Fibernet, and FUMO Communications.

Leading Italian Fiber Optic Cable Companies

Cavicel S.p. A. – Specializes in the design and production of fiber optic cables for various applications, with a global presence in over 50 countries, emphasizing quality and innovation.

CP

E Italia – Focuses on fiber optic interconnection solutions and infrastructure consulting, producing thousands of cables annually and supporting broadband and fiber optic network projects. Tecnikabel – Offers tailor-made optical cables for telecommunications, transportation, defense, and industrial applications, with certifications for quality and sustainability. Fibernet – Innovates in fiber optic technology, including specialized equipment for FTTH network installation, highlighting efficiency in cable deployment.

FUM

O Communications – Produces fiber optic assemblies, distribution panels, and related tools and machinery, serving both multimode and singlemode applications.

Additional Notable Companies

Fastweb – While primarily a telecommunications operator, Fastweb provides extensive fiber optic services and ultra-broadband solutions across Italy. Italian Cable Company S.p. A. (ICC) – Manufactures a wide range of electrical and fiber optic cables, including industrial, railway, and automation applications.

Salcavi Industries – Produces and exports specialized wires and cables, including automotive and multi-approved cables for international markets. Industry OverviewItaly's fiber optic and cable manufacturing sector is concentrated in regions like Lombardy (Milan), Piedmont (Turin), and Emilia-Romagna, benefiting from advanced infrastructure, skilled labor, and a strong tradition of technical innovation. These companies serve both domestic and international markets, providing solutions for telecommunications, industrial automation, energy distribution, and specialized high-performance applications.

These firms represent a robust ecosystem for optical cable solutions in Italy, offering a combination of high-quality manufacturing, engineering expertise, and global distribution capabilities.
