Malaysia Cable Tray Aluminum Alloy Manufacturer

Overview

Array Metal: Leading manufacturer and supplier of lightweight, durable cable trays in Malaysia, conforming to IEC and NEMA standards.

Key Takeaways

Array Metal and U-LI Group are leading manufacturers of aluminum alloy cable trays in Malaysia, offering durable, standards-compliant solutions for industrial and commercial applications. Key Manufacturers1. Array Metal Sdn Bhd Array Metal is a well-established Malaysian manufacturer specializing in cable trays, including aluminum alloy options.

Their products range from lightweight non-flange trays to heavy-duty trays with return flanges, suitable for various industries. All trays conform to IEC and NEMA standards, and materials include aluminum, hot-dipped galvanized steel, marine-grade stainless steel, and powder-coated finishes. They serve electrical, telecommunications, industrial, and commercial sectors, with a strong international distribution network covering Singapore, Australia, and the United States (Array Metal).

2. U-LI Group U-LI Group has been manufacturing cable support systems since 1978 and operates five manufacturing sites in Malaysia. They produce aluminum cable trays, perforated trays, cable ladders, and trunking systems.
