Myanmar electrical distribution box distributor

Overview

Distribution Box | Grand Imperial Co., Ltd. (Myanmar)No.44, Thein Phyu Road, Pazundaung Township, Yangon. © 2026 Grand Imperial Co., Ltd. All rights reserv.

Key Takeaways

Panel Z Electric, Pacific Electric Co., and Myanma Power Spectrum are among Myanmar's prominent suppliers of electrical distribution boxes and related electrical systems. Key Suppliers1. Panel Z Electric Co., Ltd.

Founded in 2018, Panel Z Electric specializes in fabricating electrical switchboards, distribution boards, control panels, HV switchgear panels, and metal enclosures. They operate a 6,400 sqft advanced manufacturing facility equipped with precision machinery, offering one-stop solutions for industrial, commercial, and residential electrical systems. Their services include engineering turn-key solutions, motor starters, and professional after-sales support, making them a trusted partner for high-quality distribution panels in Myanmar.

2. Pacific Electric Co., Ltd. Pacific Electric focuses on improving and modifying distribution systems across Myanmar.

They import high-quality, reliable products and supply them to government utilities and private industries. Beyond distribution boxes, they also engage in electrical project implementation and production of concrete electric poles, providing a broad range of electrical infrastructure solutions. 3.

Myanma Power Spectrum Co., Ltd. Established in 2006, Myanma Power Spectrum supplies low-voltage, medium-voltage, and high-voltage electrical equipment, including distribution boxes. They provide engineering services, site surveys, and procurement support, ensuring that clients receive tailored solutions for their electrical systems.

Their expertise spans both private and industrial sectors. 4.

IEM Myanmar IE

M Myanmar is a leading international trading company offering power generation and distribution systems, including electrical distribution products. They provide comprehensive services such as installation, commissioning, maintenance, and annual maintenance contracts (AMC), with a strong engineering team to support complex projects. 5.

Myanmar Distribution Group (MDG) While primarily a nationwide distribution network, MDG supports electrical product distribution through its extensive logistics and market expansion services. They connect suppliers to over 40,000 outlets monthly, making them a key partner for large-scale procurement and distribution of electrical equipment.

Summary

For businesses or projects in Myanmar seeking reliable electrical distribution boxes, Panel Z Electric, Pacific Electric, and Myanma Power Spectrum are the most recognized suppliers, offering both high-quality products and engineering support. Companies like IEM Myanmar and MDG complement these suppliers with installation, maintenance, and nationwide distribution capabilities, ensuring comprehensive solutions for industrial, commercial, and residential electrical needs.
