New Zealand Stainless Steel Cable Tray Supplier

Overview

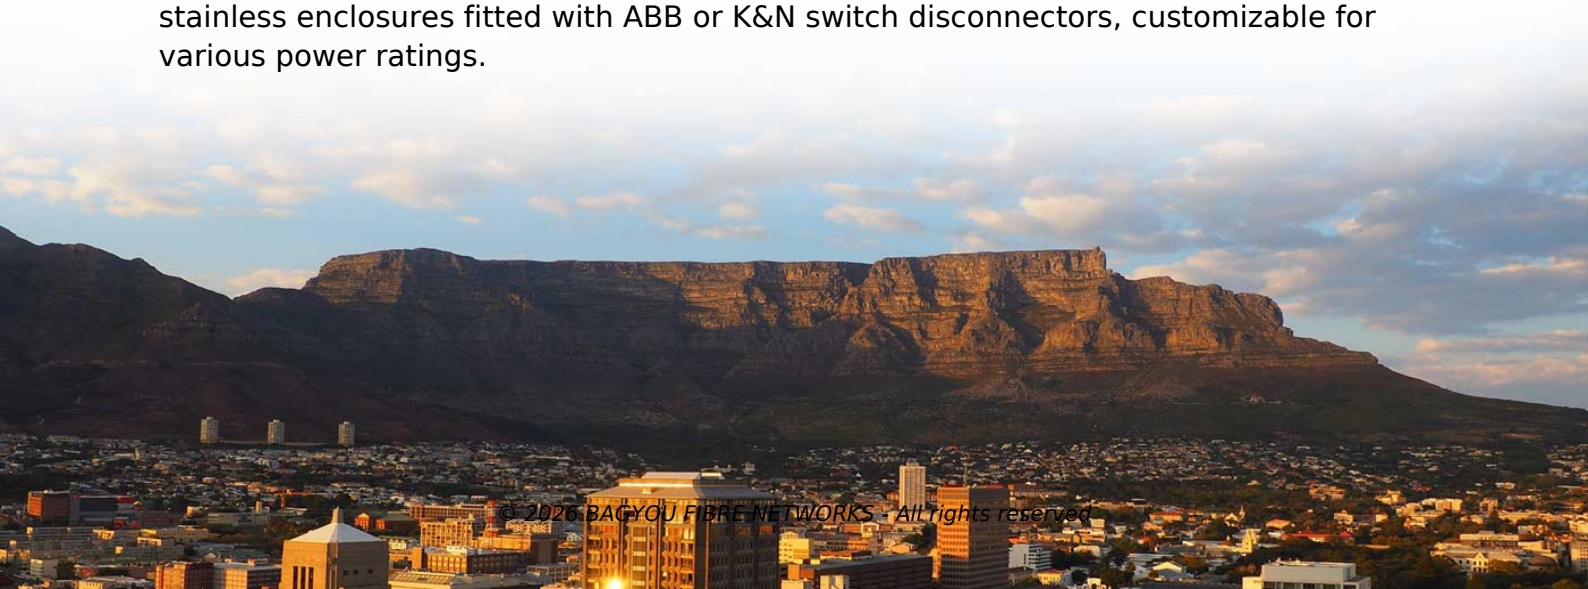

S.E.P are the only NZ company who have built their own machine to manufacturer Stainless steel wire mesh cable trays.

Key Takeaways

Stainless Electrical Products (SEP) is best known in New Zealand for its stainless steel cable trays. Stainless Electrical Products (SEP), based in Hamilton, New Zealand, specializes in precision-engineered stainless steel wire mesh cable trays made from 5mm T304 ½ hard tempered rod, with widths ranging from 60mm to 600mm and a variety of mounting and joining options for easy installation.

SE

P is a proudly New Zealand-owned company that focuses on delivering innovative, reliable, and high-quality solutions for infrastructure projects, including custom fabrication and turnkey electrical systems. Product Range and CapabilitiesSEP manufactures a wide range of stainless steel products, including: Wire mesh cable trays suitable for commercial, industrial, and infrastructure applications. IP66 stainless enclosures fitted with ABB or K&N switch disconnectors, customizable for various power ratings.

Modular cabinets and air manifolds made from stainless steel, designed for multi-level assembly and flexible installation. Their products are designed to meet the unique demands of each project, ensuring durability, corrosion resistance, and compliance with New Zealand standards. Industry ReputationSEP is recognized for its precision engineering, quality, and customer-focused approach, making it a leading choice for stainless steel cable containment in New Zealand.

The company's local manufacturing ensures consistent quality, faster turnaround times, and adaptability to project changes, which is highly valued in commercial and industrial construction projects. While other companies like Mechanical Support Systems (MSS) and Steel & Tube also supply cable trays, MSS focuses more broadly on steel cable trays and ladders, and Steel & Tube distributes multiple brands including stainless steel options.

SE

P, however, is specifically noted for its stainless steel cable tray expertise, making it the most prominent choice in this category.
