New Zealand long-span cable tray manufacturer

Overview

Equip Supply Ltd | Stern Cable Trays | Durable Cable Stern Cable Trays offer strong, easy-to-install cable management for electrical & data cabling. Durabl.

Key Takeaways

Treadwell Group's EXduro™ FRP cable trays and Stern Cable Trays from Equip Supply are among the top options for long-span cable trays in New Zealand. Recommended Companies1. Treadwell Group – EXduro™ FRP Cable Trays Treadwell's EXduro™ range offers high-performance FRP (fiber-reinforced polymer) cable trays designed for long-span applications in harsh environments.

These trays are corrosion-resistant, non-conductive, lightweight, and fire-retardant, making them ideal for industrial, marine, mining, chemical processing, and wastewater treatment sectors. The system includes a wide range of fittings and slotted marine rungs for easy cable securing, simplifying installation and reducing labor costs while maintaining structural strength. 2.

Equip Supply Ltd – Stern Cable Trays Stern Cable Trays provide durable steel solutions for electrical and data cabling. They are designed for easy installation, strong support, and compliance with safety standards, making them suitable for commercial and industrial projects. Their steel construction ensures long-term durability, and the trays are engineered to handle long spans efficiently.

3. Brilltech Engineers Pvt. Ltd Brilltech offers a wide range of cable trays, including ladder, perforated, PVC, mild steel, and stainless steel options.

They provide customized solutions for residential, commercial, and industrial sectors, ensuring quality control and timely delivery. Their in-house manufacturing allows for tailored long-span designs to meet specific project requirements. 4.

Ideal Electrical Suppliers Ideal Electrical Suppliers stocks wide-span cable trays with robust corrosion-resistant coatings, suitable for solar and industrial applications. Their products are designed for durability and long-term performance, with options in Zn-Mg-Al alloy-coated steel. 5.

Tilley Group Tilley Group specializes in custom electrical cable trays with precision manufacturing, offering high-quality fittings and support brackets. Their Motorum 2558 Turret Press allows for accurate punching and customization, which can be advantageous for long-span installations requiring precise dimensions.

Conclusion

For long-span cable tray applications in New Zealand, Treadwell Group's EXduro™ FRP trays are highly recommended for corrosive or hazardous environments due to their lightweight, strong, and non-conductive properties. For steel-based solutions, Stern Cable Trays from Equip Supply and custom trays from Brilltech Engineers provide durable and reliable options. The choice depends on the environment, load requirements, and installation preferences.
