New Zealand specializes in manufacturing steel cable trays

Overview

Electrical Cable Trays We offer a range of versatile and cost effective cable support systems, as well as an in-house custom solution design service. Tille.

Key Takeaways

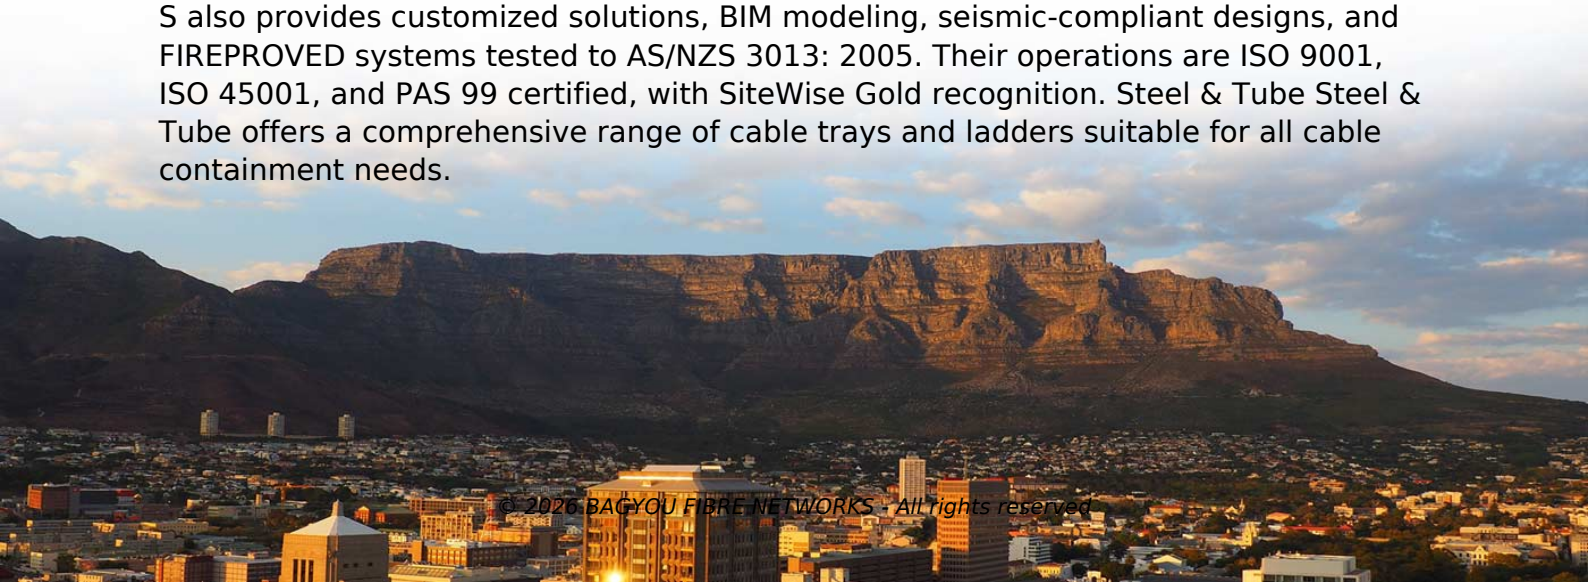

Mechanical Support Systems (MSS), Steel & Tube, Tilley & Patton Ltd, and S. E. P are leading steel cable tray manufacturers in New Zealand, offering a range of products and services from design to installation.

Key Manufacturers

Mechanical Support Systems (MSS) MSS is a full-service provider of cable containment systems in New Zealand, offering design, manufacturing, supply, and installation for commercial, industrial, and infrastructure projects. They manufacture trays, ladders, baskets, and framing locally using trusted New Zealand steel suppliers, ensuring high quality and reliable outcomes.

MS

S also provides customized solutions, BIM modeling, seismic-compliant designs, and FIREPROVED systems tested to AS/NZS 3013: 2005. Their operations are ISO 9001, ISO 45001, and PAS 99 certified, with SiteWise Gold recognition. Steel & Tube Steel & Tube offers a comprehensive range of cable trays and ladders suitable for all cable containment needs.

They provide full project support, including take-offs from plans, quotations, and access to BIM-enabled 2D and 3D CAD details. Their products are designed for both commercial and industrial applications. Tilley & Patton Ltd Specializing in sheetmetal products and components, Tilley & Patton Ltd provides design and manufacturing services for cable trays across New Zealand.

They focus on custom solutions and high-quality fabrication for electrical and industrial projects. S. E.

P S. E. P manufactures stainless steel wire mesh cable trays using their own machinery.

Their trays are fabricated from high-grade stainless steel rods (T304 / ½ Hard Tempered) and are available in multiple sizes and configurations. They also supply a full range of accessories, including bends, risers, joining plates, and mounting brackets, supporting efficient and compliant cable management.

Summary

These manufacturers provide a variety of steel cable tray solutions, including ladder, basket, and wire mesh types, with options for customization, local manufacturing, and professional installation. Choosing a local manufacturer ensures faster turnaround, quality control, and compliance with New Zealand standards, making them suitable for both standard and complex projects.
