Oman ONU Spectrum Splitter Manufacturer

Overview

Find details like phone numbers, email id, address, reviews and more about companies that are listed under the Air conditioning (AC) category.

Key Takeaways

Key suppliers of ONU spectrum splitters in Oman include Oman Fiber Optic, Modern Peace Company, and Spectrum Technical Services LLC, offering both manufacturing and distribution services. Oman Fiber Optic (OFO)OFO is a leading Omani manufacturer of fiber optic components, including optical fibers, cables, and related network products suitable for telecommunications, utilities, and defense sectors. They operate fully integrated facilities with advanced testing and quality control, ensuring compliance with international standards.

OF

O provides pre-terminated solutions and fiber components that are ideal for data centers, campus networks, and fast deployment projects, making them a reliable source for ONU spectrum splitters and other optical network components.

Modern Peace Company

© 2026 BAGYOU FIBRE NETWORKS · All rights reserved

Modern Peace Company, headquartered in Muscat, is a full-line distributor of fiber optic products. They supply components from global brands such as Huber Suhner, Fitel, and Multilink, including fiber optic splitters, connectors, cables, and test equipment. The company also offers custom fiber patch cord manufacturing, rentals of fiber optic test equipment, and training for technicians, which can support deployment and maintenance of ONU splitters in Oman.

Spectrum Technical Services LLC

Spectrum Technical Services LL

C is a 100% Omani-owned SME providing solutions in digitalization, automation, and telecommunications. While primarily focused on industrial sectors like oil, gas, and power, Spectrum represents global manufacturers and offers telecommunications solutions, including fiber optic components. They provide installation, commissioning, and after-sales support, which can be valuable for projects requiring ONU spectrum splitters in Oman.

Additional Resources

For a broader list of fiber splitter dealers and distributors in Muscat, Oman Info Pages provides a directory of local suppliers, which can help identify additional vendors for ONU spectrum splitters.

Summary

For sourcing ONU spectrum splitters in Oman, OFO is the primary local manufacturer, while Modern Peace Company and Spectrum Technical Services LLC serve as distributors and solution providers. These companies offer a combination of manufacturing, distribution, technical support, and training, ensuring reliable supply and deployment of fiber optic network components in Oman.
