Price of Gya type optical cable

Overview

GYTA Fiber Optic Cable (Aerial and Duct) Types Prices & SpecGYTA is with high strength loose tube that is hydrolysis resistant and the optical cable fillin.

Key Takeaways

GYTA optical cables typically range from $0. 50 to $3. 50 per meter depending on fiber count, core type, and specifications.

Overview of GYT

A Optical CableGYTA cables are aluminum tape armored fiber optic cables designed for long-distance communication and LANs, offering high tensile strength, moisture resistance, and low signal attenuation. They are available in 2 to 144 cores, with G. 652D single-mode fibers commonly used.

The cable jacket is usually made of polyethylene, providing durability and protection against environmental factors.

Price Factors

The cost of GYTA cables depends on several factors: Fiber Count: Higher core counts (e.g., 48, 96, 144 cores) increase the price per meter compared to lower counts (e.g., 4 or 8 cores),. Armor Type: Aluminum tape armored cables are standard, but additional steel wire armor or double-armored designs can raise costs. Jacket Material: PE jackets are common, while LSZH (low-smoke, zero-halogen) jackets may be more expensive.

Order Quantity: Bulk orders often reduce the per-meter price, while small quantities may cost more. Manufacturer and Shipping: Prices vary by supplier, with Chinese manufacturers offering FOB prices ranging roughly $0. 50–$3.

50 per meter depending on specifications. Example Price Ranges4–12 core GYTA cable: Approximately $0. 50–$1.

20 per meter24–48 core GYTA cable: Approximately $1. 20–$2. 50 per meter96–144 core GYTA cable: Approximately $2.

50–$3. 50 per meter These prices are indicative and may vary based on fiber type, cable length, and shipping terms.

Conclusion

When purchasing GYTA optical cables, consider fiber count, armor type, jacket material, and supplier location to determine the final cost. For precise pricing, it is recommended to request a quotation from suppliers such as Dongguan TW-SCIE, HGCABLECN, or other certified manufacturers.
