Price of Telecom Fiber Optic Cable Tie-up Machine

Overview

High-quality fiber optic cables machine with low price starting at $21,622.79, ideal for wholesale buyers. Order online with minimum order of 1 unit.

Key Takeaways

The price of an automatic fiber optic cable tie-up machine starts at approximately $21,622. 79, depending on the model and supplier. Telecom fiber optic cable tie-up machines are specialized tools designed to automate the process of securing fiber optic cables, replacing traditional manual hanging and binding methods.

These machines are particularly useful for high-altitude or large-scale installations in communication engineering, including FTTH (Fiber-to-the-Home) deployments. They typically include components such as the main device, battery, remote control, hand-held pole, and a special wire disc for efficient cable tying.

Pricing Overview

Alibaba lists high-quality fiber optic cable machines starting at $21,622. 79 per unit, suitable for wholesale or bulk orders. Prices vary based on automation level, portability, and additional features such as intelligent control modules, AI-driven alignment, or remote monitoring capabilities.

Advanced models with multi-core fiber compatibility, self-calibration, and IoT-enabled diagnostics may have higher upfront costs but offer improved efficiency and reduced labor requirements.

Key Considerations

When selecting a fiber optic cable tie-up machine, consider the following factors: Automation and Efficiency: Machines with intelligent control modules can complete all tying steps automatically, reducing human error and installation time. Portability: Hand-held or field-deployable models are ideal for telecom operators and rapid deployment teams. Compliance and Standards: Ensure the machine meets relevant safety and quality standards, such as IEC, ISO, and RoHS certifications.

Maintenance and Consumables: Regular calibration and use of manufacturer-recommended consumables extend machine life and maintain performance.

Suppliers

Qingdao Powtech Electronic Co., Ltd: Offers automatic cable tying machines suitable for FTTH cables, ADSS/OPGW cables, and other telecom applications. Alibaba: Provides a range of fiber optic cable machines for production and field operations, with pricing starting at $21,622. 79.

Investing in the right machine ensures accurate cable processing, operational efficiency, and long-term cost savings, especially for large-scale telecom projects.
