M Stroy / Plant Turon Building Manufacture Ltd Located in Tashkent, TBM Stroy specializes in metal cable trays and industrial low-voltage equipment. They are known for their long-standing presence in the market and reliable production capabilities. Their expertise includes both manufacturing and installation support for large-scale projects.

3. Energoremont Industrial Enterprise "Milliy" Energoremont has been active since 1992 and provides industrial low- and medium-voltage equipment, including cable trays. They are recognized for their experience in large infrastructure projects and technical support services.

4. Inform-AEC-Tushmatik-Socomec / Ernes Power Systems Ltd This company offers specialized cable tray solutions and power system support, catering to industrial and commercial sectors. Their focus is on durable materials and compliance with safety standards, ensuring reliable cable management.

5. Integrity Solution Ltd and Mirankul Group Both companies provide customized cable tray solutions and installation services, with a focus on quality, corrosion resistance, and flexible configurations for various cable types.

Key Considerations When Choosing Experts

Material and Type: Companies offer galvanized steel, stainless steel, FRP, ladder, perforated, and trough trays. Customization: Leading suppliers provide tailored solutions for specific project requirements. Compliance: Ensure the supplier adheres to national and international safety standards.

Experience: Long-standing companies like Energoremont and TBM Stroy have proven track records in industrial projects. Support Services: Installation guidance, after-sales support, and technical consultation are critical for complex projects.

Conclusion

While there is no formal ranking system, Brilltech Engineers, TBM Stroy, and Energoremont are among the most recognized cable tray and support experts in Uzbekistan due to their quality products, technical expertise, and reliable service. For specialized projects, contacting these companies directly can provide tailored solutions and professional guidance.
