South African 3-Year Warranty Laser Diode QSFP28

Overview

100g Qsfp28 For Cisco Qsfp 100g Lr4 S 100gbase Lr4 | Desertcart The 100G QSFP28 for Cisco QSFP-100G-LR4-S is a high-performance transceiver module designed.

Key Takeaways

QSFP28 100G laser diode modules are available in South Africa with warranties ranging from standard 3-year coverage to limited lifetime, depending on the supplier and model. Available QSFP28 Modules in South AfricaHPE Aruba 100G QSFP28 MPO SR4Type: Multi-mode fiber, 12-fiber MPO, 100m reach on OM3 MMFWarranty: Limited lifetime warranty from HPEFeatures: High-speed 100G connectivity, reliable for enterprise networkingSupplier: HPE Store South Africa MikroTik QSFP28 100G Module SM 2kmType: Single-mode fiber, 2 km reach, 1310 nm wavelengthFeatures: Four independent full-duplex channels, 25 Gbps per channel, built-in digital diagnostics, robust against temperature, humidity, and EMIWarranty/Returns: 10 business days return policy; reliability recommended for harsh conditionsSupplier: Tech.co.za Fiber Optic Transceivers 100GBASE-LR4 10 kmType: Single-mode fiber, 10 km reach, 4x 13XX nm wavelengthsPrice: R16,726Availability: In stock at WantItAll.co.zaWarranty: Standard manufacturer warranty applies Finisar QSFP28 ModulesType: High-performance, industrial-grade QSFP28Features: Durable construction, innovative design, cost-effectiveWarranty: Typically includes standard manufacturer warranty; check with supplier for 3-year coverageSupplier: Impexron GMBH South Africa Considerations for PurchaseWarranty: While some modules like HPE Aruba offer a limited lifetime warranty, others may provide standard 3-year manufacturer warranties.

Always confirm with the supplier before purchase. Compatibility: Ensure the QSFP28 module matches your network equipment in terms of wavelength, fiber type (single-mode or multi-mode), and distance. Delivery: Suppliers like Tech.co.za offer courier delivery across South Africa and neighboring countries, with collection options available in Centurion.

Diagnostics and Reliability: Modules with built-in digital diagnostics (DDM) allow monitoring of optical power and temperature, enhancing reliability in critical networks.

Recommendation

For a 3-year warranty QSFP28 module in South Africa, it is advisable to: Contact suppliers like Impexron GMBH or WantItAll.co.za to confirm warranty terms.

Consider HP

E Aruba modules if a longer limited lifetime warranty is preferred. Verify compatibility with your existing network hardware and required reach (100m, 2km, 10km) before purchase. These options provide a balance of performance, reliability, and warranty coverage suitable for enterprise and data center applications in South Africa.
