Types and Prices of Cable Trays in Senegal

Overview

Price List Cable Tray 2024 - Free download as PDF File (.pdf), Text File (.txt) or view presentation slides online.

Key Takeaways

Cable tray prices in Senegal vary depending on material, size, and supplier, with mild steel being the most affordable and stainless steel the most expensive.

Price Overview

Cable trays in Senegal are available in various materials including mild steel, galvanized steel, aluminum, and stainless steel, each affecting the price and durability. Mild steel trays are generally the cheapest option, suitable for most indoor applications, while stainless steel trays are more expensive but offer superior corrosion resistance for high-humidity or industrial environments. Aluminum trays are moderately priced, lightweight, and resistant to corrosion, making them ideal for lighter installations.

Supplier Options

Several suppliers in Senegal provide cable trays: Jeetmull Jaichandlall is recognized as a top manufacturer and exporter, offering competitive prices and a range of steel and aluminum trays. Bahra Electric supplies modular metal and non-metallic cable trays suitable for commercial, industrial, and institutional projects, emphasizing cost-effectiveness and ease of installation. Local online marketplaces like Jumia Senegal offer cable-related products, though primarily for cables rather than full tray systems.

Cost Considerations

The price of cable trays depends on: Material type: Mild steel < Aluminum < Stainless steelTray size and configuration: Larger or custom-shaped trays cost moreSurface treatment: Powder coating or galvanization increases durability and price Supplier and shipping: Local suppliers may offer lower prices than imported trays While exact prices are not always listed online, mild steel trays are typically the most budget-friendly, whereas stainless steel trays can cost significantly more due to their durability and resistance to corrosion. For precise pricing, contacting local suppliers directly is recommended to obtain quotes based on material, size, and quantity.
