UK Network Cabinet Chassis Dimensions

Overview

When you see a spec like 42U x 600mm x 1000mm, it's not just a string of numbers—it's the blueprint for your entire setup, defining the cabinet's usable internal height, external width, and external depth. Nailing these three core measurements from the get-go is critical. It determines whether your. Confused by 'U' (Rack Units) when looking at data cabinets?
