What are some Dutch electrical cable tray manufacturers

Overview

Cable Tray Manufacturers & Suppliers in Netherlands | TrademoFind and discover Cable Tray manufacturers and suppliers for all products in Netherlands, feat.

Key Takeaways

Some notable Dutch manufacturers and suppliers of electrical cable trays include Brilltech Engineers, Beemster Electrical Solutions, and DAMEN Shipyards Gorinchem.

Key Manufacturers and Suppliers

Brilltech Engineers: Offers a wide range of cable trays made from galvanized steel, stainless steel, and fiberglass. Their products include perforated trays, ladder trays, and custom solutions for industrial and commercial projects. They emphasize durability, safety, and compliance with industry standards, providing installation support and system design assistance in the Netherlands.

Beemster Electrical Solutions: Specializes in cable support systems, cable tray systems, and conduits. They provide materials such as sendzimir galvanized steel, stainless steel, aluminum, and synthetic options. Their products are CPR certified according to European fire safety standards (EN 50575) and NEN 8012 in the Netherlands, ensuring compliance and reliability.

DAME

N Shipyards Gorinchem: Listed as one of the largest ladder and cable tray suppliers in the Netherlands, with significant export activity. They are known for supplying robust cable management solutions for industrial and maritime applications.

Additional Resources

Trademo: Offers a directory of cable tray manufacturers and suppliers in the Netherlands, including shipment data, trade volumes, and contact information for procurement purposes. Volza: Provides a comprehensive list of 533 active ladder and cable tray exporters in the Netherlands, allowing users to filter suppliers by shipment frequency, export value, and reliability. This includes detailed contact information for top decision-makers.

Considerations for Selection

When choosing a Dutch cable tray manufacturer, consider: Material and corrosion resistance: Options include galvanized steel, stainless steel, aluminum, and fiberglass-reinforced polyester (GRP) for extreme environments. Product type: Ladder trays, perforated trays, wire mesh trays, and custom solutions. Certifications: Compliance with CPR (EN 50575), NEN 8012, and other European standards.

Project scale: Some suppliers specialize in large-scale industrial installations, while others focus on commercial or residential projects. These manufacturers and directories provide a solid starting point for sourcing high-quality cable trays in the Netherlands.
