What are some cable tray companies in Belgium

Overview

Cable tray Manufacturer/producer Belgium | B2B companiesFounded in 1982, Vergokan is an independent company within the group that produces and sells standa.

Key Takeaways

Belgium hosts several reputable cable tray manufacturers, including Trayco, Jeetmull Jaichandlall, Brilltech Engineers, and Cable House, offering a wide range of cable management solutions.

Key Manufacturers

Trayco – A fully Belgian company specializing in cable trays, mesh trays, cable ladders, and mounting systems. They provide tailored solutions, project advice, and installation guidance, making them a strong choice for local projects requiring expert support and customized cable management systems. Jeetmull Jaichandlall (P) Ltd. – Recognized for high-quality cable trays in various sizes, shapes, and colors.

They emphasize durable materials, strict adherence to industry standards, and advanced manufacturing technology, serving both local and global markets. Brilltech Engineers Pvt. Ltd. – Offers durable cable trays made from galvanized steel, stainless steel, and fiberglass.

Their products enhance cable organization, airflow, and safety, and they provide design, installation support, and compliance with industry standards. Cable House – Established in 1983, Cable House manufactures a wide range of cable trays, cable ties, and industrial connectors. They provide customized solutions, high durability, and international shipping, making them suitable for both local and global projects.

Considerations for Choosing a ManufacturerMaterial and Durability: Ensure the trays meet your project's load and environmental requirements. Options include galvanized steel, stainless steel, and fiberglass. Customization: Some manufacturers offer tailored sizes, shapes, and colors to fit specific installations.

Support Services: Local companies like Trayco provide installation guidance and project consulting. Compliance: Verify adherence to industry standards for safety and performance. These manufacturers provide a range of solutions suitable for industrial, commercial, and infrastructure projects in Belgium, ensuring both quality and regulatory compliance.
