

What is the price of galvanized cable trays model 200100

Overview

Free access SD-200100 datasheet, Package, pinout diagrams, and BOM tools. Our extensive portfolio features aluminum foil, electrical cables, cable trays, copper tubes, boiler tubes, casing pipes, honed tubes, steel wires, PPGI/gi coils, galvanized pipes, and robust steel structures. With over 30 production lines at our disposal, we offer customized solutions to precisely. Shanghai Shengsheng Electric Group Co. was established in 2012, specializing in the research and development, production and sales of cable tray and conduit series of electrical circuit protection system, the company is located in Shanghai Jinshan Industrial Park, the company covers an area of. Supplier highlights: This supplier offers full customization, design customization, and sample customization, mainly exporting to Libya, Netherlands, and Mongolia with a positive review rate of 100. Working Load Lightweight Design: Reduces material weight and lowers installation costs. TONGZHOU MACHINERY (CABLE TRAY) FACTORY has advanced production line of one-time forming of cable trays, automatic laser cutting production line, laser welding production line, automatic spraying and galvanizing production line, mainly produces six categories of products, including Wire Mesh cable. The average cable tray price per meter ranges from \$2 to \$25, depending on material, type, size, and surface finish. The main cost driver is the material used in manufacturing: □□ Galvanized steel is the most common. 200x100mm Hot Dipped Galvanized Flexible Wire Mesh Electrical Cable Tray, GI Metal Cable Tray Description: GI CABLE TRAY Thickness: 1.
