What is the tax rate for relay protection devices

Overview

It determines the applicable GST rate: For electrical relays, the rate is 18%. Using an incorrect HSN code from another context could lead to the application of a wrong tax rate. We have sourced the HSN code information from the master codes published on the NIC's GST e-Invoice. Origin Chapter: Chapter 85 Discover GST rates and HSN Code 8536 for Relays and Surge Suppressors. Get the best deals on high-quality electrical components today!HSN Code 8536 refers to "Electrical apparatus for switching or protecting electrical circuits, or for making connections to or in electrical circuits, e., switches, relays, fuses, surge suppressors, plugs, sockets, lamp holders and junction boxes, for a voltage = 1. 000 V (excluding control desks.
