Where is the Mongolian galvanized cable tray factory located

Overview

GI Perforated Cable Tray in Mongolia,Galvanized Steel Cable Tray. Galvanized Steel Cable Tray Suppliers in Mongolia Our state-of-the-art production facil.

Key Takeaways

There is no dedicated galvanized cable tray factory physically located in Mongolia; suppliers operate from India and export to Mongolia. Several companies, such as Super Cable Tray Pvt. Ltd. and Brilltech Engineers Pvt.

Ltd., are recognized as suppliers of galvanized steel cable trays in Mongolia, but their manufacturing facilities are based in Delhi, India. These companies provide a range of cable management solutions—including GI perforated cable trays, ladder trays, and PVC trays—customized for industrial, commercial, and residential applications in Mongolia. Key details about these suppliers: Super Cable Tray Pvt.

Ltd.: Offers galvanized steel cable trays with ISO 9001: 2015 certification, emphasizing durability and corrosion resistance. They serve Mongolian clients through exports from India. Brilltech Engineers Pvt.

Ltd.: Manufactures cable trays in-house in India and supplies them to Mongolia, providing customized solutions for various sectors. Cable House: Another Indian-based manufacturer supplying cable trays and related products to Mongolia, capable of producing tailor-made solutions. These companies do not maintain a physical factory in Mongolia; instead, they export their products directly to Mongolian customers, ensuring timely delivery and after-sales support.
