Which company makes the best low-voltage cable trays in New Zealand

Overview

Wire Mesh Cable Trays & Components Our Stainless Steel Wire Basket Cable Trays allow air circulation to keep wiring cool and offer good resistance to corro.

Key Takeaways

Mechanical Support Systems (MSS) is widely regarded as New Zealand's leading provider of high-quality low-voltage cable trays, offering local manufacturing, compliance, and full project support. Top Manufacturers and Suppliers1. Mechanical Support Systems (MSS) MSS designs, manufactures, and installs complete cable containment systems across New Zealand.

They offer locally manufactured trays, ladders, baskets, and framing, ensuring strong, reliable, and consistent quality.

MS

S products are FIREPROVED to AS/NZS 3013: 2005 and NZS 4219 compliant for seismic design, making them suitable for critical infrastructure projects. Their local manufacturing allows faster turnaround, better quality control, and flexibility for project changes, supported by ISO 9001, ISO 45001, and PAS 99 certifications, along with SiteWise Gold recognition. 2.

Tilley & Patton Ltd Tilley & Patton specializes in sheetmetal cable trays and components, providing a comprehensive design and manufacturing service throughout New Zealand. They focus on custom solutions and precision fabrication, suitable for commercial and industrial applications. 3.

Equip Supply Ltd (Stern Cable Trays) Equip Supply offers durable steel cable trays designed for easy installation and compliance with electrical and data cabling standards. Stern Cable Trays are ideal for commercial and industrial projects, providing strong support and reducing installation time. 4.

S. E. P (Stainless Steel Wire Mesh Cable Trays) S.

E. P manufactures stainless steel wire mesh cable trays using high-quality T304/T316 stainless steel. Their trays provide excellent corrosion resistance and air circulation, making them suitable for demanding environments, including food and natural atmospheres.

They also offer a wide range of accessories and pre-fabricated components for complex installations.

Recommendation

For overall quality, local manufacturing, compliance, and full project support, MSS is the top choice in New Zealand. For specialized needs, such as stainless steel wire mesh trays, S. E.

P is highly recommended. Tilley & Patton and Equip Supply are strong alternatives for standard steel or sheetmetal cable trays with reliable performance. Choosing the right supplier depends on your project requirements, environmental conditions, and installation complexity.
