Zambian Cabinet Distribution Box Manufacturer

Overview

Distribution Box 12 Ways – Caltec ZambiaCaltec Zambia Limited | All Rights Reserved. Low Voltage Power Distribution Cabinets Manufacturer, LXL low-voltage.

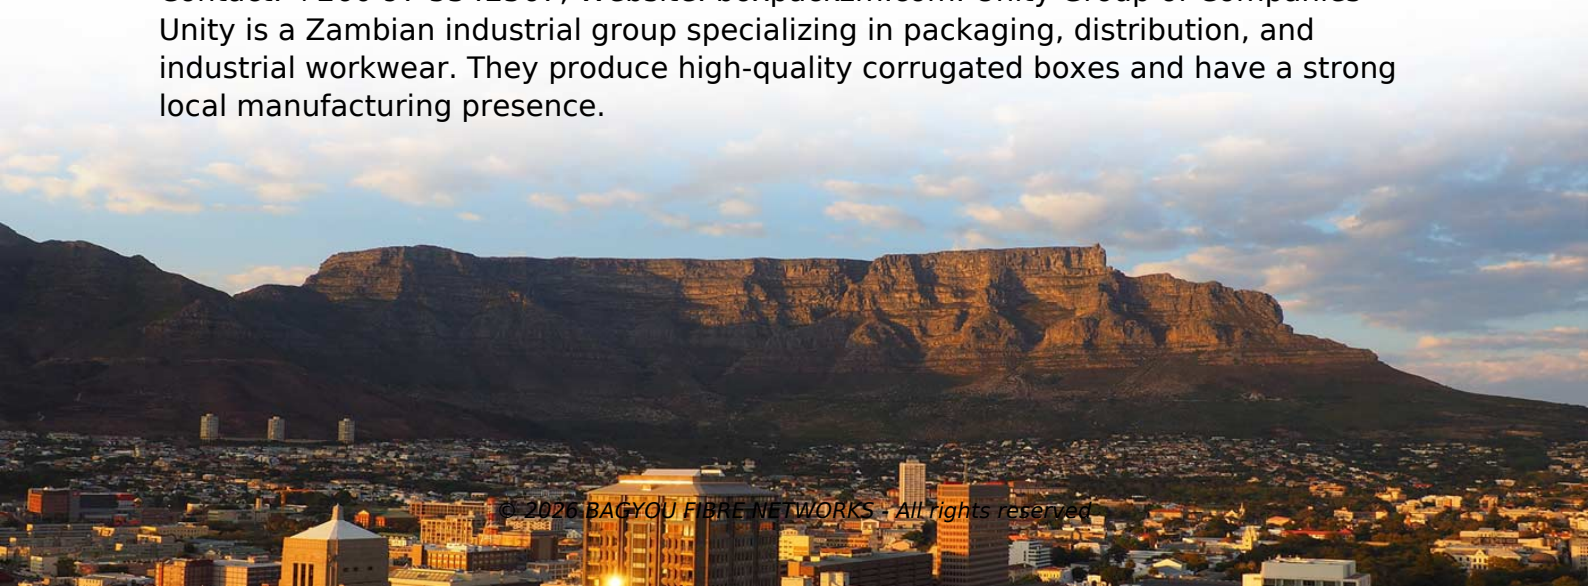

Key Takeaways

Currently, Zambia does not have widely listed manufacturers specifically for electrical distribution boxes and cabinets, but local industrial and packaging companies may provide custom solutions or connections to relevant suppliers.

Local Manufacturing Companies

Boxpack Zambia Ltd Boxpack Zambia Ltd, based in Lusaka, is a leading manufacturer of custom corrugated boxes and specialty packaging. They operate a state-of-the-art manufacturing unit and offer quality assurance throughout production. While their primary focus is packaging, their expertise in custom fabrication and industrial-grade materials may allow them to produce or source custom enclosures or cabinets for industrial applications.

Contact: +260 97 5342567, Website: boxpackzm.com. Unity Group of Companies Unity is a Zambian industrial group specializing in packaging, distribution, and industrial workwear. They produce high-quality corrugated boxes and have a strong local manufacturing presence.

Their experience in industrial production and distribution networks could make them a potential partner for sourcing or custom-building industrial cabinets or enclosures. Website: unity.co.zm. Boxmore Packaging Zambia Limited Boxmore Packaging is another Lusaka-based company involved in industrial packaging solutions.

While primarily focused on packaging, companies like Boxmore often have connections to local metalwork or fabrication suppliers who can produce custom distribution boxes or cabinets. Website: dnb.com business profile.

Recommendations for Sourcing Distribution Boxes

Custom Fabrication: Contact local industrial packaging or metal fabrication companies to discuss custom-built electrical or distribution cabinets. Many packaging manufacturers have the capability to work with sheet metal or composite materials. Electrical Supply Distributors: Some electrical wholesalers in Zambia may import or locally source distribution boxes and cabinets.

They often collaborate with local fabricators for custom sizes. Networking Platforms: Use business directories or B2B platforms to connect with Zambian industrial suppliers who can provide or manufacture metal or plastic enclosures suitable for electrical distribution.

Conclusion

While there is no widely advertised manufacturer in Zambia solely dedicated to distribution boxes and cabinets, industrial packaging companies like Boxpack Zambia Ltd, Unity Group, and Boxmore Packaging may serve as starting points for custom solutions or referrals to specialized fabricators. Engaging directly with these companies can help identify local capabilities for producing or sourcing the required distribution boxes.
